

Beat the Heat with Cool Tips

Continuing the Energy Seminar Series, on **June 12th**, **WeGreen USA** with **BG&E** is organizing an interactive session on how to **Save Energy, Save Money**

Sunday, June 12th; 2 - 4 pm

**Marilyn J. Praisner Library – Meeting Room
14910 Old Columbia Pike, Burtonsville, MD 20866**

SAVE ENERGY, SAVE MONEY

Will focus on easy and inexpensive energy conservation methods.

A "**giveaway**" bag (that includes literature that the presenter will give an overview of including Peak Rewards) will be given to each participant.

GUEST SPEAKER: BG&E Representative

Plus More ...

WeGreen USA, a community action group, is helping individuals and communities take action in reducing the carbon footprint, greenhouse gases and environmental pollution. Ours is the collective strength of individuals working together for making our communities more energy efficient and sustainable.

DIRECTIONS FROM

North (The Columbia area)

Drive south on Columbia Pike (Rt. 29).
Turn right at Spencerville Rd. (Rt. 198)
Take the next left at Old Columbia Pike. (Sandy Spring Bank is on the corner).
Continue for 1/4 mile to the library on the right.
